

## Women's Center of Fayetteville

- Empowering
- Counseling
- Educating
- Promoting Self-Sufficiency

*We are a non-profit organization that serves as a regional resource and referral center for individuals and families.*

### Women's Business Center (WBC)

Want to start or expand your business?

Our Business Center has following resources to help you start & manage your business:

- Workshops on Business Start-up, Business Planning, Taxation, Labor regulations, Identity Theft, Marketing, etc.
- Loan assistance up to \$200,000
- One-on-one counseling
- Business plan writing
- Financial projections
- Networking opportunities

### Lease-to-Home Program

Assists people with low to moderate income. It provides the opportunity for safe and affordable housing in great neighborhoods in Cumberland County. Eligibility to be determined.

Services Include:

- One-on-one credit counseling
- Money management skills
- Home Ownership preparation, if needed
- Post counseling

We rent 3-bedroom, 2-bath single family homes and 1 or 2 bedroom apartments in Fayetteville and Hope Mills

### New Choices Program

If you want to:

- Learn new skills
- Find a new career
- Take yourself in a new direction

The New Choices program is for you! It helps individuals transition into the work force.

We offer:

- One-on-one career and educational counseling.
- Personal assistance with planning a job search.
- Job-Preparation workshops
- Information and Referrals.
- Financial assistance for education or training.

### *\*Our Mission\**

*To serve as a regional resource and advocacy center for individuals and families, which enables restoration of personal dignity and economical empowerment.*
